PROFESSIONAL EXPERIENCE

Since May 2022

Verivox GmbH

Senior UX Designer, member of UX leadership coalition, accessibility expert

Since Nov 2024

I've been leading Design and Research within the **Energy Evolution Team**, focusing on the growth of new business initiatives.

Since 2024

Active member of the **Leading Coalition**, mentor to other designers, and involved in shaping UX strategy, hiring peers, guiding design operations, and more.

2022 - 2024

I led Design and Research for the **Banking Products**, while also driving UX maturity across the business unit. Introduced **accessibility** as a core company focus, led awareness talks, educate teams and built a comprehensive catalog of applicable accessibility guidelines to ensure long-term consistency and compliance across products.

SKILLS

My Strengths

I understand and turn user needs into prioritized design opportunities and create intuitive, end-to-end solutions.
I validate concepts through testing to ensure usability and impact.

Soft Skills

Empathetic, analytical, and highly organized, I communicate complex ideas clearly and align stakeholders efficiently.

Leadership

I mentor, train, and inspire other designers, fostering their growth and helping them reach their full potential.

Languages

I am a native Italian speaker, yet I often find myself dreaming in German. English is my second foreign language.
